Join us with Multimedia Artist Robin Brooks for this special workshop based on the “Our Foremothers Project”. Robin is a Maine artist and a retired art teacher who recently had an exhibit in Freeport called “Our Foremothers” – celebrating the women who have been influential in her life. The workshop will give participants an opportunity to celebrate women who have been important to them, using available materials to create with. *Note that this is not a portrait class, as much as an experimental art workshop.*
